Privacy and treatment of personal data

In order to process your membership of the World Association for Infectious Diseases and Immunological Disorders (WAIDID) we will store your details in an electronic database. This information will be used to process your application only and will not be used for any other communications. The information will not be sold, lent or otherwise divulged to third parties, other than where it is necessary to process your application.

Should your membership application be successful, your details will be stored permanently in a database and you will have an account set-up within www.waidid.org where you will be able to manage your personal details and renew your membership annually. These details will not be sold, lent or otherwise divulged to third parties other than to manage your membership, send you relevant information about WAIDID events and services and provide any services you request from time to time. We may use your personal details to send you communications from third parties without divulging your details to them.

Should you have any concerns about the use of your personal details, please email waidid.secretariat@aimgroup.eu or write to AIM Congress Srl – AIM Group International – Via Ripamonti 129, 20141 Milano – WAIDID Secretariat

For your consent on data processing and communication as described in the above report:
